CONE  
SWEATER

Sweater worked from neck-down, and with inc for round yoke

Instruction: Olaug Beate Bjelland

**Sizes:**

(XS-S) M (L-XL) XXL

**Measurements:**

Bust: (90) 100 (110) 120 cm

Length: approx (54) 56 (57) 58 cm, or suitable length

Sleeve length: 50 cm, or suitable length

All measurements are for the finished garment = personal body measurements + movement allowance. The measurements are all according to given tension.

**Yarn:**

TYNN SILK MOHAIR (57 % mohair, 28 % silk, 15 % wool, 25 g = 212 m)

**Yarn required:**

Lt. yellow #2101: (5) 6 (6) 7 balls

**Suggested knitting needles:**

Circular 2.5 mm and 3 mm

Small circular 3 mm for neck and sleeves

Double pointed 2.5 mm

Needle sizes are only suggestions. If your knitting shows tighter tension, use thicker needles, for looser tension use thinner needle

**Tension:**

24 sts and 36 rnds pattern with 3 mm ndls = 10x10 cm

**GSR = German Short Rows:**

After each turning, always sl first st p-wise with yarn in front of work, lead yarn over right ndl, pull firmly at the back until 2 loops on right ndl.

These 2 loops count as 1 stitch.

When working rnd with loops, k loops tog to 1 st.

**INFO:** Work garment from neck-down, work extra height at the back and inc for round yoke.

**Yoke:**

With small 3 mm circular ndl cast on (130) 136 (136) 138 sts.

Work 3 cm ribbing k1, p1 in rnds.

Insert marker around first st = marked st at middle back = beg of rnd.

Work extra height at back with **GSR** (as explained) as follows:

Work (42) 44 (44) 46 sts ribbing, turn, work (82) 86 (86) 90 sts ribbing, turn. Cont ribbing and turn in the same manner, but 4 sts before previous turning, until a total of 5 times at each side. Work 1 rnd ribbing after last turning and work all loops tog.

**(XS-S):**

K 1 rnd and inc as follows:

\*k5, inc 1\*, rep from \*-\*, = (156) sts.

**M:**

K 1 rnd and inc as follows:

\*k3, inc 1\*, rep from \*-\*, end with k4 = 180 sts.

**XXL:**

K 1 rnd and inc as follows:

k8, inc 1, \*k10, inc 1\*, rep from \*-\*, = 152 sts.

**All sizes:**

= (156) 180 (136) 152 sts.

Beg at arrow for chosen size, work diagram **A** and inc as shown in diagram = (312) 360 (408) 456 sts.

Cont diagram **B** (without inc) until yoke meas approx (18) 20 (22) 24 cm, meas at middle front, from after ribbing and straight down.

Divide work as follows:

\*Work (49) 55 (61) 67 sts (= ½ back), transfer (59) 71 (83) 95 sts for sleeve to spare ndl, cast on (11) 11 (11) 11 new underarm sts, work (97) 109 (121) 133 sts (= front), transfer (59) 71 (83) 95 sts for sleeve to spare ndl, cast on (11) 11 (11) 11 new sts, work (48) 54 (60) 66 sts (= ½ back).

**Back and front:**

= (216) 240 (264) 288 sts.

Cont diagram **B** until garment meas approx (49) 51 (52) 53 cm, meas from shoulder and straight down, or 5 cm before suitable length.

K 1 rnd, **while** inc (24) 26 (30) 32 sts evenly spaced as follows:

Work \*9 sts, inc 1\*, rep from \*-\* in the rnd = approx (240) 266 (294) 320 sts.

Change to 2½ mm circular ndl, on first rnd adjust number of sts to a multiple of 2, and work 5 cm ribbing k1, p1 in rnds.

Cast off loosely rib-wise, using thicker ndls if necessary.

**Sleeves:**

Transfer sts from spare ndl to small 3 mm circular ndl and knit up 13 sts over the 11 new underarm sts = (72) 84 (96) 108 sts.

Insert marker around middle underarm st.

Cont diagram **B** until sleeve meas 45 cm, or 5 cm before full length.

K 1 rnd, **while** dec evenly spaced to (44) 48 (52) 54 sts.

Change to 2½ mm double pointed ndls and work 5 cm ribbing k1, p1 in rnds.

Cast off loosely rib-wise, using a thicker needle if necessary. Work other sleeve in the same manner.

- k
  - ⊙ 1 yo
  - ▲ sl 1 k-wise, k2tog, pss0
  - No stitch. Ignore.
- NOTE: If rnd beg with this symbol,  
beg with 1 st from previous rnd
